The President
The White House

Dear Mr. President:

I am forwarding herewith an assessment of the current Soviet agricultural situation and an estimate of its future prospects that is of such interest that I feel it deserves your personal attention. This report was prepared for us by a member of the United States farm delegation that recently visited the USSR.

This information will be made available to the intelligence community through regular channels.

Respectfully yours,

151

Allen W. Dulles
Director
